### **Directions**

From Airport Cologne/Bonn:

If you arrive at Cologne/Bonn airport ([www.airport-cgn.de](http://www.airport-cgn.de)) please follow the signs to the bus terminal T2/B near terminal 2

(T1 near Terminal 1 is only for disembarkation).

The Airport-Express Bus 670 departs every 20 to 30 minutes and takes about 30 minutes to Bonn central station. The price of a one-way ticket is 6.30 €. You can buy a ticket from the driver. You do not need exact change, a 10 or 20€ note is fine.

A flyer with time table is attached.

From Frankfurt Airport:

If you arrive at Frankfurt airport you can either take a direct train to Bonn central station (HBF) (duration 1h44m, costs 33,00 € but runs directly only a few times a day) or the ICE train to Siegburg/Bonn (duration: ~ 40 min, costs 51,00 € if it is not included in your flight ticket). Leave the train at Siegburg/Bonn, go down the steps, buy a ticket at the machine alongside the track for 4,10 € (Preisstufe 3) and take the tram (STR 66) to Bonn central station (duration: ~ 25 min).

From Bonn central station (Hauptbahnhof):

At Bonn central station you should take a taxi (in front of the main station) to your hotel except to Hotel Mozart.

Hotel Mozart is in walking distance (600 m) from the main station: Exit the main station at the rear exit (towards track 5) and turn right. After about 200 meters turn right again and follow Meckenheimer Allee (Dead end for cars) for a few meters. Turn left, follow Herwarthstrasse and turn left into Bachstrasse until you reach Hotel Mozart on your right hand side.

Directing Board Meeting:

The meeting takes place in the building of the

Institute of Geodesy and Geoinformation, Nussallee 17, 53115 Bonn

For dinner we plan to visit Restaurant "Im Stiefel" which is next to the Beethoven House (see annotated map).
